

## **AMERICA'S CHOICE PROVIDER NETWORK (ACPN) AND PTPN ENTER INTO NATIONAL PARTNERSHIP**

As of July 2015, ACPN is excited to announce a relationship with PTPN that allows us to increase our coverage nationwide. Through this partnership, ACPN's 20+ million members will now have access to PTPN's specialty network of rehabilitation therapists.

"ACPN is excited to have access to PTPN's premier specialty network for our national membership. This partnership with PTPN will immediately improve the care and access for our members. We are very much looking forward to this relationship," said Todd Breeden, CEO of ACPN.

We're excited to join forces with this prestigious organization to provide its members with convenient access to the best quality outpatient rehabilitation care," said PTPN President Michael Weinper, PT, DPT, MPH. "PTPN practitioners provide true value for both patients and payers. Our expertise maximizes the effectiveness and efficiency of patients' recovery from illnesses and injuries."

### **ABOUT PTPN**

PTPN is the nation's premier specialty network of rehabilitation therapists in independent practice. It has led the rehabilitation industry in pioneering national contracting and quality assurance programs since 1985, marking its 30<sup>th</sup> anniversary this year.

PTPN's network includes thousands of therapists and is contracted with hundreds of managed care organizations covering millions of Americans.
