

## ACPN AND PREFERRED THERAPY PROVIDERS ENTER INTO NATIONAL PARTNERSHIP

As of January 2016, America's Choice Provider Network (ACPN) is excited to announce a national partnership with **PREFERRED** Therapy Providers, Inc. (**PREFERRED**). With over 1,200 locations and 3,400 experienced therapists across the country, partnering with **PREFERRED** significantly increases access to quality physical, occupational and speech therapy services for ACPN's 22+ million members nationwide.

"We are very excited to offer our members access to **PREFERRED's** quality therapists. Partnering with an organization as distinguished and established as **PREFERRED** makes an immediate impact for ACPN's nationwide presence," said Todd Breeden, CEO of ACPN. "**PREFERRED's** standards of excellence ensure that our members receive the best care."

"Our partnership with America's Choice Provider Network is based on our shared vision of excellence and commitment to quality and access. The reputation of consistency, simplification and reliability between payers and providers that ACPN brings offers an excellent new opportunity for **PREFERRED's** network members," said Steven Allred, PT, President of **PREFERRED** Therapy Providers, Inc.

### ABOUT PREFERRED

Founded in 1992, Preferred Therapy Providers, Inc. (**PREFERRED**) connects PPO's, HMO's, Health Plans and Third Party Payors with their network of over 1,200 private practice physical, occupational and speech therapy practices nationwide.

### ABOUT ACPN

ACPN is an independent, multi-specialty national provider network that has developed its own proprietary network and technology for the purpose of achieving consistency in healthcare transactions, simplifying claims adjudication processes, creating reasonable reimbursement arrangements and establishing reliable healthcare access for all parties; providers, payers and patients.
